### WATCH SORE THROATS

because swollen glands or inflamed membranes often affect other tissues and lung trouble easily follows.

As Nature's corrector of throat troubles the pure cod liver oil in Scott's Emulsion is speedily converted into germ-resisting tissue; its tested glycerine is curative and healing, while this wholesome emulsion relieves the trouble and rebuilds the forces to resist tubercular germs and avert the weakening influence which usually follows.

If any member of your family has a tender throat, get a bottle of Scott's Emulsion-to-day. Physicians prescribe it to avert throat troubles, overcome bronchial disorders and strengthen the lungs. No alcohol or harmful drugs. Always insist on Scott's.

### WILLIAMSTOWN

Fire Discovered in Her Home Just in Time By Mrs. T. C. Waldo.

What would have become a very serious fire was fortunately discovered just in the nick of time on the morning of Monday, the third, when at about 7:30 o'clock, Mrs. T. C. Waldo telephoned that smoke was coming through the partition on the second floor of her house on South Main street. Half a dozen members of the fire department, aided by volunteers, were soon on the scene with hand fire extinguishers and after an hour's work, the fire was distinguished. It seems that the chimney in the south side of the house next to the road had burned out the day before and was supposed to have gone out, but it is now thought to have been burning slowly through the night and finally became so hot as to set on fire the wood-work next to the chimney. It was necessary to cut away a part of the chamber floor and to tear away a portion of a partition in order to get at the fire which was working away both in the partition and between the floors. One of the floor timbers, eight inches square, was burned half off and had the fire not been discovered as it was, it would have soon been hard to control. Insured in the Union Mutual. The loss has not yet been adjusted.

The selection will meet at the town clerk's office on Friday, Jan. 7, to pay all bills against the town.

### "House Based Upon Woman"

"A house is not based upon the ground, but upon woman," is an old Montegony proverb. To her falls the hard work of the household. They use the sickle, tend the flocks, as well as the spinning wheel, and have the vitality and health to enjoy it.

American women should take more care to preserve health and vitality by avoiding nervous, run-down conditions, and for this purpose our local druggist, and for this purpose the Red Cross Pharmacy, has a most valuable combination of the three oldest tonics known in Vinol. If you are weak, run-down, overworked, just try it.—Adv.

### GIRLS! HAVE WAVY, THICK, GLOSSY HAIR FREE FROM DANDRUFF

Save Your Hair! Double Its Beauty in a Few Moments—Try This!

If you care for heavy hair, that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its luster, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fatten, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25-cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed, and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now?—Adv.
